### MARKETING RESEARCH AND BUSINESS DEVELOPMENT INTERN INTERN

**Jauntin (insur-tech), Canada: July 2019 - September 2019**

- Conducted deep research on the company and gave insights by analysing big data and running reports.
- Managed Jauntins' social media, especially Twitter, where I created content that was approved by the CEO and posted weekly.

### INSURANCE AGENT INTERN

**NIC Bank, Kenya: June 2018 - August 2018**

- Collaborated with a team of 4 on reconciliation, that is, tracing payments from 2015 and sending invoices to the corresponding underwriters in order to pay back to the bank.
- Interacted on a day to day basis with the bank's system where I Filled in customer details concerning Insurance.

### TECH INTERN

**African Leadership University, Rwanda: October 2018 - Current**

- Offer full support to Students, Staff and Faculty members at the University regarding technical issues.
- Came up with a concrete system of processes where Students, staff, and faculty can request for various items during big and small events happening on campus or off campus.
- Documentation of all Tech support needs in the University.

## EXTRACURRICULAR/ LEADERSHIP EXPERIENCE

---

### CO-FOUNDER

**Mariru: July 2019 - Present**

With a team of 2, we work on combining fashion and sustainability. We have an online thrift store which is currently on Instagram to provide fashionable and sustainable clothes for women
